DIRECTOR'S MESSAGE

We're 20 Years Old!

During our 20 years in operation, Art Works Art School has evolved and expanded its services to facilitate students of all ages, offering some of the finest and most varied art programs in the city. In 2009, after 13 years at our original location in the Bloor West Village, we purchased our new home at 238 Jane Street, just up the street from the old one! Our new location, in the beautiful and historic Baby Point neighbourhood, allowed us to create many exciting possibilities for our students such as exhibition opportunities in the new gallery, access to a resource centre, the Frank Hoff Art Library, created in memory of our long time student Frank Hoff, who donated over 100 art books to the school. With a back yard now available to us, proposals for an artist-in-residence opportunity were sought, and a unique mosaic garden eventually grew out back, created, developed and lovingly tended to by artist Bronwen Parker since 2010. Close proximity and easy access to the breathtaking and panoramic Humber River ravine parkland within walking distance to the majestic Old Mill Bridge and bucolic Etienne Brule Park inspired us to offer outdoor, plein air painting courses. Over time, we began a comprehensive Mentoring Program that offers volunteer opportunities to high school, university and college students. Intent on giving back to the broader creative family, Art Works Art School also extended its support to post-secondary art and design students at OCAD University by awarding two \$1000 scholarships to 3rd year students. Our recently formed partnership with the Ontario Student Awards Foundation, a charitable scholarship fund, allows us to reach out to students of all ages who may need support and assistance with their studies. Other services to the community now include events hosting, open houses, family days, workshops, and a retail art supplies and book store. Through our Outreach Program, Art Works Art School was able to expand its teaching capabilities to include both the public and private school communities by offering structured, integrated and diverse on-site art classes and workshops. All of our educators are fully qualified professionals with extensive experience and knowledge in their chosen discipline, and many have loyally remained with Art Works Art School since its inception in 1996.

Please join us on Sunday, November 13, 2016, from 2-4 pm as we proudly commemorate and celebrate a very special milestone, our 20th Anniversary Open House and Student Awards Ceremony! The Awards Ceremony will commence at 2:30 pm. There will also be an exhibition of student art work, with an archival feature in the main floor gallery this year documenting our history. Refreshments will be served and a free drop-in Family Sunday is on the 2nd floor.

We look forward to many more successful years of dedicated service to the community with a commitment to excellence and growth.

REGISTRATION INFORMATION

Please read the following if you are registering for a class or camp:

Procedure: Registration can be made by mail (using the form in the brochure); in person at the school; by telephone, fax or on-line. **YOUR REGISTRATION IS VALID ONCE FULL PAYMENT IS MADE AND PROCESSED.** We issue receipts via email. Payment can be made either by cash, cheque, debit, VISA, Master Card or American Express. Registrations are on a first-come first-served basis as soon as term schedules are available. We do not pro-rate camps. Adult classes are limited by the size of studio. Teens and children's classes are limited to 18 students per class, with the exception of Kinder Kids which is limited to 12 and Free to Be Three which is limited to 6. Your payment of the registered art class will assure you of your place in the class. Classes may be postponed due to enrollment numbers, please call the school to confirm start date. We do not call students if a class is running, only in the event of postponing or canceling a class.

Discounts: A 10% discount fee is given for the second child or teen's course in the same family by a sibling or by the same child if registered in the same term. **This discount is not applicable to adult classes, birthdays or to camps.** Seniors (65 years or older) receive a 10% discount for classes they take, upon presentation of identification.

Class Cancellations: Students may cancel their registration without charge up to 14 calendar days prior to course start date with the exception of a 6% cancellation fee for credit card refunds which will immediately apply. Notice of cancellation must be given to the school's office in writing. Absence from class does not constitute notice of cancellation. Students who wish to withdraw 13 calendar days or less prior to class will be charged a cancellation fee of \$70.00. Students canceling registration after the first class will be charged for that class plus the cancellation fee of \$70.00. **No refunds or credits will be given after the second class.** Art Works Art School reserves the right to postpone classes, dependent upon numbers. Should the school need to cancel a course due to low enrollment, all students will be notified in advance, and full refunds issued.

Camp Cancellations: No refunds will be given once camp begins. A \$70.00 cancellation fee will be charged to any cancellations 13 calendars days prior to camp commencement.

Student Absences: The school cannot be responsible for classes missed by students. However, in certain cases students who miss a class may obtain their

instructor's permission to attend a different class given by that same instructor on another day of the week. The substitution must be made in the same term as the missed class. This policy does not apply to camps.

Materials: Art Works Art School supplies materials for children, teen and some adult programs. Adults are responsible for supplying their own materials unless they are in a class where materials are supplied by the school. Materials and costs will be discussed at the beginning of the first class. We sell all supplies needed for classes at a reasonable price.

Documentation: Art Works Art School reserves the right to use photographic material for advertising and promotional purposes. If you do not want your child, yourself or other family members photographed, please let us know in writing.

Behavioral Policy: At Art Works Art School our motto is "Behave Your Best and Dress Your Worst!" Students should conduct themselves in a respectful manner with both fellow students and teachers alike. No verbal or physical abuse will be tolerated. Students are asked to respect the work and space of other students as well as the studio environment in general. Care and caution should be used when handling all tools, equipment, and materials used in the making of projects. Hand washing before and after snack is expected of all students.

Dress Policy: Students are asked to dress informally with casual, loose, and comfortable clothing. Any type of dress that will restrict the student from fully engaging in the art making process should not be worn in the studio. Smocks are provided for each student, but there will inevitably be times when a smock may not protect the entire body from paints, printing inks, and other materials that may stain clothing. Please use common sense when dressing for art class. *No bare feet! Shoes, sandals or boots should be worn at all times.
